There are two of these mounds withbread. Keep your change handy, your In the other, the colonel found a large forget that the Lord loves a cheerful great quantity of bones in a well preserved state, and the utensils above

described Everything indicated that the occupants of each vault were buried at one time, and when we consider that Kentucky was not the residence of any tribe of Indians, but was the common hunting ground, and frequently the scene of fierce battles between the hunting parties of different tribes. Coupled with the fact that one of the skulls was eleft as with a tomahawk, taken in conpection that only adult bones were exhumed, justifies the conclusion that the occupants of these mounds were killed in an affray between hostile parties of indian hunters, probably long before the eye of a white man ever beheld the fertile regions of Kentucky.

KO NO The Payorite TOOTE POWDER or sale by St. Bernard Coal Company FOR 20 YEARS

A SURE and CERTAIN CURE REMEDY FOR PILES.

The sterner and more recolting sea of life are subdued and the higher qualities of friendship and love obtain on the yielding of human suffering and the restoration of health, strength and ntentment. The following is calculated to assuage human passion and beget elevated thoughts and actions: H. S. Cate, merchant, North Oakland, Pa. writes: "Please send six bottles of Dr. Fenner's Kidney and Backache Cure to Samuel Cate, Amesburg, Mass. It is for my mother, who would be glad to give you a strong recommendation of this medicine, as she thinks it has prolonged her life." It is equally good in all kidney diseases, female complaints, blood and skin diseases, etc. If satisfaction not given money refunded. Take home a bottle to-day.
